Walk of H.O.P.E.

The Walk of Hope, begun in 2006, continues to offer you the opportunity to purchase memorial bricks. Your donation of one hundred dollars will memorialize or honor your loved one for years to come. Each brick is personalized with the engraving of your loved one's name, a significant date, or special message.

These bricks form a prominent pathway at the front entrance of the hospital signifying remembrance of the past and hope for the future.

For information, contact Michele Dickens at (270) 465-6139 or call Taylor Regional Hospital at (270) 465-3561.
